

# *Lakewood Vineyards Policy on Group Tastings*

Lakewood Vineyards has adopted the following policy regarding groups traveling with 12 or more people. This enables us to make your group's visit to Lakewood Vineyards informative and enjoyable.

We are happy to accept groups with advanced notice of at least 3 days. The approximate number in the group and the name and phone number of a contact person will be requested at this time. We will also need the approximate time of the group's arrival at Lakewood. If the time you request is already booked we will contact you to reschedule.

The group will be given a tasting of 5-6 wines. A fee of \$2.00 per person will be charged and should be paid by the group/tour organizer upon arrival of the group, if it is not pre-paid. We would greatly appreciate a call if you need to change or cancel your plans regarding your visit. We ask those who want to taste wine to have a photo identification readily available so we can confirm they are 21 years old or older. If your group is more than 15 minutes later than scheduled we cannot guarantee an immediate tasting time. We will certainly do our best to accommodate you as soon as possible.

We ask for a credit card number to secure your reservation. While we understand that delays are at times unavoidable, we reserve the right to charge the \$2.00 fee to this card should the group not show up. If the group's plans change or you need to cancel your tasting at Lakewood Vineyards we ask for 24 hours notice.

We hope this policy meets with your understanding, and we hope to make your group tasting a great experience for all involved.

Sincerely,  
The Stamp Family of Lakewood Vineyards
