

## *Lakewood's Favorite "Nutty Dates"*

1 – 8oz. package of whole pitted dates (approximately 34 dates)  
4 oz. cream cheese  
34 walnut halves

Separate and split open the dates (so they open like a butterfly).

Whip the cream cheese and put in a pastry bag or cookie press.

Squeeze a “dollop” of cream cheese on each date and top with a walnut half.
